Aug. Hornung, a well known manu-

Nolan St., San Antonio, Texas, will
not soon forget his experience with
an attack of the cramps which he
relates as follows: "I was taken with
a violent cramp in the stomach, which
I believe would have caused my
death, had it not been for the prompt
use of Chamberlain's Colic, Cholera
and Diarrhoea Remedy. The first
dose did me so much good that I
followed it up in 20 minutes with the
second dose, and before the Doctor
could get to where I was, I did not
need him. This Remedy shall always
be one of the main stays of my
family." For sale by all dealers.

MURDER IN KOHALA.

A Japanese laborer has been mur-
dered in Kohala. Through the cour-
tesy of Mr. K. Okkots, acting In-
spector-General of Japanese Immi-
grants, the following translation has
been obtained of the official report
on the case by Dr. M. Yamashita,
Japanese physician and inspector,
dated Kohala, Aug. 24:

"Yoshida Kurakichi, who has been
employed by the Star Mill Co. of
Kohala, as a luna for cane carriers
the past year, was found murdered
by some person or persons unknown,
about half-past two o'clock in the
morning of the 16th inst., through
pistol shots whilst asleep.

"Having examined the corpse the
same day, I have found one bullet
having entered from his back, one
through the arm, and another pen-
etrating the heart. With these three
shots death must have been instan-
taneous.

"The following laborers are lock-
ed up on suspicion: Kuroda Mat-
suzo, contract laborer, Hawi mill;
Inaturo Fiyiwa and wife, Hawi
mill; and Nakagawa, lately employed
by Paauhau Plantation, Hamakua.

"In connection with the above out-
rage, Deputy Sheriff Geo. Williams
and Mr. Izarashi (the latter by
special request of Sheriff Hitchcock)
are here vigorously investigating the
matter, but as yet they are unable to
find any clue of murderer or mur-
derers."

FOUR-OARED RACE.

Only a Tansum Practice Race led by
the Myrtles.

The four-oared sliding seat boat
race, for which a purse of \$100 was
deposited at the BULLETIN Office,
purported to have come off yesterday
afternoon. It had the appearance of
an easy practice over the three mile
course, with the Myrtle crew leading
by mutual consent.

The Myrtle Boat Club crew was
not changed from the first announce-
ment—A. W. Carter, stroke, E. H.
Wodehouse, Alex. Lyle and Horace
C. Lyle; Arthur Wilder, coxswain.

When they drew up to the line they
were disgusted to find that the He-
lanian Boat Club had substituted a
"kid" crew for the recognized
seniors. Had there been time the
Myrtle boys declare they would have
"trumped the trick" by putting in a
junior crew also.

The crew of the Healanians were: L. Ward, F. Ham-
mer, Chris. Holt and A. T. C. Atkin-
son; Chas. Herriek, coxswain. The
Myrtle boat was the Alf. Rogers,
hon. of the Healanian the Poomakalani.

Hon. C. B. Wilson was judge and
starter; Mr. Archie Gillilan, time
keeper.

The Myrtles led from the start,
pulling a lazy stroke of 32 to the
minute till opposite the lighthouse,
where they were 10 seconds ahead
and put on a brief spurt. The lead
was maintained to the finish, although
the Myrtles were waiting for their
opponents most of the way. The
time was 18 minutes 24 seconds.

The captain of the Myrtles offered
to row, allowing the Healanians to
pick four men all over town. A race is
promised for Sept. 2 between the
junior crew of the Myrtles and the
Healanian crew that rowed yesterday.
